

### 1a.3 Staffing and Volunteering Policy

#### Policy Statement

Our policy is to provide a secure and safe environment for all children. We only allow an adult who is employed by the nursery to care for children and who has an enhanced clearance from the Disclosure and Barring Service (DBS) to be left alone with children. We do not allow volunteers to be alone with children or any other adult who may be present in the nursery regardless of whether or not they have a DBS clearance.

All staff will attend child protection training and receive initial basic child protection training during their induction period. This will include the procedures for spotting signs and behaviours of abuse and abusers/potential abusers, recording and reporting concerns and creating a safe and secure environment for the children in the nursery. During induction staff will be given contact details for The FDNM Designated Safeguarding Co-ordinator (DSCO), the LADO (local authority designated officer), the local authority children's services team, the Local Safeguarding Children Board (LSCB) and Ofsted to enable them to report any safeguarding concerns, independently, if they feel it necessary to do so.

- We provide adequate and appropriate staffing resources to meet the needs of all children
- Applicants for posts within the nursery are clearly informed that the positions are exempt from the Rehabilitation of Offenders Act 1974. Candidates are informed of the need to carry out checks before posts can be confirmed. Where applications are rejected because of information that has been disclosed, applicants have the right to know and to challenge incorrect information
- We give staff members, volunteers and students regular opportunities to declare changes that may affect their suitability to care for the children. This includes information about their health, medication or about changes in their home life such as whether anyone they live with in a household has committed an offence or been involved in an incident that means they are disqualified from working with children
- This information is also stated within every member of staff's contract
- We request DBS checks on an a 3 year basis and use the DBS update service to re-check staff's criminal history and suitability to work with children twice a year
- We abide by the requirements of the EYFS and any Ofsted guidance in respect to obtaining references and suitability checks for staff, students and volunteers, to ensure that all staff, students and volunteers working in the setting are suitable to do so

- We ensure we receive at least two written references BEFORE a new member of staff commences employment with us, however there may be instances that staff commence employment while their reference are being applied for, in this case staff are aware that their employment is subject to the satisfactory receipt of references, and in this time are not allowed to be left alone with children.
- All students will have enhanced DBS checks conducted on them before their placement starts
- Volunteers, including students, do not work unsupervised
- We abide by the requirements of the Safeguarding Vulnerable Groups Act 2006 and the Childcare Act 2006 in respect of any person who is disqualified from providing childcare, is dismissed from our employment, or resigns in circumstances that would otherwise have led to dismissal for reasons of child protection concern
- We have procedures for recording the details of visitors to the nursery and take security steps to ensure that we have control over who comes into the nursery so that no unauthorised person has unsupervised access to the children
- All visitors/contractors will be supervised whilst on the premises, especially when in the areas used by the children
- All staff have access to and comply with the whistleblowing policy which will enable them to share any concerns that may arise about their colleagues in an appropriate manner
- All staff will receive regular supervision meetings where opportunities will be made available to discuss any issues relating to individual children, child protection training and any needs for further support
- The deployment of staff within the nursery allows for constant supervision and support. Where children need to spend time away from the rest of the group, the door will be left ajar or other safeguards (i.e. CCTV supervision, baby monitor, etc) will be put into action to ensure the safety of the child and the adult.

*This policy was adopted on 01/05/16*

*Implemented by: Afshan Din (Nursery Manager)*

*Reviewed & Agreed by: Shiraz Kothia (Director)*

*Date for review: 01/05/17*

*Signed on behalf of the nursery:*
